

REQUEST FOR BALLISTIC VEST

The 100 Club of Central Texas provides ballistic vest for law enforcement agencies in our 6 county coverage area. Requests for equipment must be written (US Postal Service or email) to The Club's executive director and signed by the Chief Officer of the agency/department requesting the equipment. Included in the request must be competitive bids (at least 2), a statement that "no regularly budgeted funds or any drug confiscation funds are available, and that your agency has a random drug testing policy and drug free work place policy in place."

Upon receipt of the request, the Program and Benefits committee will review the proposal and make a recommendation to the full Board of Directors. The agency head will be notified in writing of the Board's decision.

All agencies that are recipients of the vest are requested to place 100 Club of Central Texas decal on all marked agency vehicles and to coordinate a presentation of the equipment for news media coverage. We will also provide 100 Club of Central Texas logos to be placed on each vest.

You must notify us in writing that your vests have been received and are in good working condition.

Ballistic Vest APPLICATION

All applications must be signed by Department Chief.

Send completed Applications, cover letter, and documentation directly to:

The 100 Club of Central Texas
3200 Steck Avenue, Suite #240
Austin, TX 78757

or email to ea@100clubcentex.com. For more information, please contact us at (512) 345-3200. Failure to comply with requirements could result in a delay in approval.

NOTE: Individual Law enforcement officers are not eligible to apply.

Ballistic Vests will be awarded to the department based on need and compliance with criteria.
