

Request for Ballistic Vests

The 100 Club of Central Texas provides ballistic vests for law enforcement agencies in our 6 county coverage area. Written requests for ballistic vests must be sent (via US Postal Service or email) to the club's executive director and signed by the department head or designee of the requesting agency or department. Two competitive bids must be included along with a statement that no or limited budgeted funds are available for the vests.

Upon receipt of the request, the Program and Benefits Committee will review the proposal and make a recommendation to the full Board of Directors. Adherence to the criteria and the club's available funds will be considered. The agency head will be notified in writing of the board's decision.

The agency must notify The 100 Club of Central Texas in writing within one month of receiving the vests that they have been received and are in good condition.

All agencies receiving vests are requested to allow The 100 Club to make a presentation to the department, to share about the club's mission and encourage others to join. The agencies are also requested to help coordinate a presentation of the vests with the media.

Ballistic Vest APPLICATION

All applications must be signed by the department head or designee.

Send completed Applications, cover letter, and documentation directly to:

Executive Director
The 100 Club of Central Texas
3200 Steck Avenue, Suite #240
Austin, TX 78757

or email to ea@100clubcentex.com. For more information, please contact us at (512)345-3200.

NOTE: Individual law enforcement officers are not eligible to apply.

Ballistic vests will be awarded based on compliance with criteria and available funding.
